

CGTTTCGGT

A stylized DNA sequence logo for the sequence CGTTTCGGT. The letters are color-coded: C is blue, G is yellow, and T is red. Below the letters are horizontal bars representing the relative frequency of each base at each position. The first position (C) has a red bar. The second position (G) has a green bar. The third position (T) has a yellow bar. The fourth position (T) has a yellow bar. The fifth position (T) has a green bar. The sixth position (C) has a yellow bar. The seventh position (G) has a blue bar. The eighth position (T) has a green bar.
