

CACGTCGcc

Sequence logo for the sequence CACGTCGcc. The logo displays the conservation of each base at each position. The top row shows the base 'C' in blue at position 1, 'A' in green at position 2, 'C' in blue at position 3, 'G' in orange at position 4, 'T' in red at position 5, 'G' in orange at position 6, 'c' in blue at position 7, and 'c' in blue at position 8. Below the top row, smaller letters indicate the probability of other bases: 'G' (orange) at position 1, 'C' (blue) at position 2, 'G' (orange) at position 3, 'C' (blue) at position 4, 'C' (blue) at position 5, 'A' (green) at position 6, 'A' (green) at position 7, and 'G' (orange) at position 8. The background is white with horizontal lines separating the positions.
