

AAAAGTATC

The image displays a DNA sequence logo for the sequence AAAAGTATC. The letters are color-coded: A is green, G is orange, T is red, and C is blue. Each letter has a vertical bar below it representing its information content. The 'G' has the highest bar, followed by 'T' and 'A', and then 'C'. The 'A's have the lowest bars.

Position	Letter	Color	Information Content (approx.)
1	A	Green	0.1
2	A	Green	0.1
3	A	Green	0.1
4	G	Orange	0.9
5	T	Red	0.8
6	A	Green	0.7
7	T	Red	0.8
8	C	Blue	0.7
