

G T T C A A A G T A A

The image displays a DNA double helix structure with a sequence of 10 base pairs. The top strand is colored G (yellow), T (red), T (red), C (blue), A (green), A (green), A (green), G (yellow), T (red), A (green). The bottom strand is colored C (blue), A (green), A (green), G (yellow), T (red), A (green), A (green), C (blue), G (yellow), T (red). The bases are connected by horizontal lines representing hydrogen bonds.
