

CCCAATCC

Diagram illustrating a DNA sequence: CCCAATCC. The sequence is shown in two rows, with the top row representing the coding strand (5' to 3') and the bottom row representing the template strand (3' to 5'). The bases are color-coded: C (blue), A (green), T (red), and G (orange). The strands are connected by horizontal bars representing base pairs.

Position	Top Strand (5' to 3')	Bottom Strand (3' to 5')
1	C	G
2	C	G
3	A	T
4	T	A
5	C	G
6	A	T
7	C	G
8	T	A
