

G C T G A C T C A G C A

The image displays a sequence logo for the DNA sequence GCTGACTCAGCA. The logo is composed of 12 positions, each represented by a large, bold letter. The letters are colored: G is orange, C is blue, T is red, G is orange, A is green, C is blue, T is red, C is blue, A is green, G is orange, C is blue, and A is green. Below the main sequence, there are smaller letters in the same color, indicating the presence of other nucleotides. The background features a series of horizontal bars in red, green, and blue, and a vertical red line on the left side.
